Please be aware if you have had a sickness bug then you cannot return to College until 48 hours after.

School Gates

Please can all students be considerate of their peers at the end of the school day by keeping the exit gates clear. If you want to wait for friends, please do so well away from the gates to allow the large number of students to leave.

If you are instructed to move by duty staff, please do so immediately. Keeping the gate area clear at the end of the day allows everyone to get home safely.
