

Year 8 Art & Design Curriculum Map 2021-2022

Month	September					October			November				Dec		January					February			March				April		May					June				July														
Week	30th	6th	13th	20th	27th	4th	11th	18th	1st	8th	15th	22nd	29th	6th	13th	3rd	10th	17th	24th	31st	7th	14th	28th	7th	14th	21st	28th	4th	25th	2nd	9th	16th	23rd	6th	13th	20th	27th	4th	11th	18th												
Term	1								2							3										4								5							6											
Topic	<p>One Point Perspective: Students learn the rules of one point perspective and progressively develop fluency before making an extended architectural drawing</p>								<p>Two and Three Point Perspective: Architectural drawings are further developed by students developing their own buildings to meet a design brief.</p>							<p>Sewing and embroidery skills: Students will learn how to sew at least 10 stitches for both strength and decoration and embellishment skills. Including adding buttons and texture. Students will learn Applique and reverse applique.</p>										<p>Plush Toy Design: 1. Students research and design a plush toy in response to a design brief. Plush Toy Construction: 2. Students construct an outcome piece based on their designs in response to their design brief.</p>								<p>Plush Toy Construction: Students construct an outcome piece based on their designs in response to their design brief.</p>							<p>Illustration Design: 1. Students develop ideas from their previous toy design task. 2. Illustration Outcome: Students produce a personal response piece, illustrating a chosen passage of writing using the characters and sketches that they have developed</p>											
Assessment	<p>Students will be assessed on their ability to record and demonstrate clear technical skill and accuracy. Students will be assessed using the AFL sheets against their ability to draw and record 1, 2 and three point perspectives.</p>															<p>Students will be assessed on their ability to show technical skills and appropriate experimentation with media. Develop and demonstrate skill in embellishment and stitching</p>										<p>Students will be assessed in their development of their design ideas through artist investigations, demonstrating critical understanding of sources.</p>								<p>Students will be assessed on their ability to show technical embroidery skills and appropriate experimentation with media. Develop and demonstrate skill embellishment, applique reverse applique and construction.</p>							<p>Students will be assessed on their ability to record and demonstrate clear technical skill in drawing. Students will be assessed using the AFL sheets against their ability to draw and record illustrations of their toy design character.</p>
