

Year 8 Science Curriculum Map 2021-2022

Month	September					October			November				Dec		January					February			March				April			May			June				July			
Week	30th	6th	13th	20th	27th	4th	11th	18th	1st	8th	15th	22nd	29th	6th	13th	3rd	10th	17th	24th	31st	7th	14th	28th	7th	14th	21st	28th	4th	25th	2nd	9th	16th	23rd	6th	13th	20th	27th	4th	11th	18th
Term	1					2				3					4				5			6																		
Topic	Respiration, Gas Exchange and Health					Electricity				Forces 2					Inheritance				Waves			Ecology																		
	Chemical Reactions and Materials					Earth and Atmosphere				Systems (skeletal and muscular)					Magnetism and electromagnetism				Metals and Acids			Investigations																		
Assessment	Assessment 1 - 70% Organisms 2, Chemical Reactions and Materials plus 30% year 7 content					Assessment 2- 70% Electricity and Earth and Atmosphere plus 30% Organisms 2, Chemical Reactions and Materials and yr. 7 content				Assessment 3 - 70% Forces 2 and Systems plus 30% Earth and Atmosphere, Electricity, Chemical Reactions and Materials, Organisms 2 and yr. 7 content					Assessment 4- 70% Inheritance and Magnetism and electromagnetism, 30% Systems, Forces 2, Earth and Atmosphere, Electricity, Chemical Reactions and Materials, Organisms 2 and yr. 7 content.				Assessment 5 - 70% Acids and Alkalis and Metals and Acids, 30% Inheritance and Magnetism and electromagnetism, Systems, Forces 2, Earth and Atmosphere, Electricity, Chemical Reactions and Materials, Organisms 2 and yr. 7 content.			End of Year Assessment																		

Please note all assessments will include questions on any unit/topic studied to date to allow for retrieval and spaced practise.
