RE: GCSE Results Day

Dear Year 11

As you already know, your GCSE results day is on 20 August 2020. This year, instead of coming into school to collect your results, you will receive them via e-mail on that day.

On results day, your teachers are usually on hand to discuss your grades with you. There is usually an adviser available to discuss your future college and training courses with you if you have any questions about them. We give you any help you need to contact the post-16 education providers. We also follow up with you about your college and training courses in the weeks following results day.

This year we cannot do this face-to-face, but we can still provide support for you remotely. If, for any reason, you think you may not be able to attend the college or training of your choice, please contact us for assistance. Because you are sixteen years of age, we are unable to speak to colleges and trainers on your behalf; however, we can guide you towards the right people you need to talk to and prepare the way for you.

In order to facilitate this, please could you click on the link below and fill in the form when you receive this letter. It will not take long.

We realise that you have already given this information to your tutors. However, it has been a while since we have seen you and we do realise that some of you may have changed your plans and made alternative applications. If we know what you have done ahead of time, we can help you more swiftly if needed on results day. If you have any questions in the meantime, please do not hesitate to contact Mrs Sanders on ksanders@stjosephscollege.net.

At this point, we would like to remind you that we continue to communicate with you through your school e-mail address. This is also the way you will receive your examination results on 20 August 2020. So that you do not miss any vital information we may have to communicate to you during the Summer holidays, please continue to check your e-mails regularly.

We wish you a good Summer and hope that you will be rested and ready for September. It goes without saying that we wish you the very best of luck for results day.

Yours sincerely

Mrs Sanders
On behalf of the Senior Leadership Team
