

18th March 2020

Dear Parent/Carer

RE: Coronavirus Update – Partial School Closure

The government have advised that schools are to close to all students, apart from some specific groups, from Monday 23rd March 2020, for the foreseeable future.

As a consequence and in order to preserve the safety of staff and students on site, the college will be partially closed from Monday 23rd March 2020.

We will be open for the following students only:

- Vulnerable children (to be further advised in due time).
- Students whose parents are front line healthcare workers or other emergency services i.e., police officers, firefighters, members of the armed forces and other groups as advised by the government, who are not in individual or household isolation.

We understand that you, or your child, may be feeling anxious about the impact of absence on their learning. Information shared with you recently provided access to some online learning platforms; please do encourage and support your child to use these. Work for your child will also be sent by e-mail from their teacher unless their teacher is unwell.

You can support your child by ensuring they have a note of passwords to any online learning accounts (as noted in previous communication) and where possible a quiet place to work at home. If you have any concerns regarding access to any of the above please contact your child's classroom teacher / tutor in the first instance.

Yours faithfully,

Mr P. Hughes
Executive Principal
