# Supporting your child through revision and exams

## Tuesday 2nd April | 6-7pm

Swindon College, North Star Avenue, Swindon, SN2 1DY

## Do you have a child in year 11?

MADE Training in partnership with Study Higher and Swindon College are offering a 60 minute Free workshop to help you as a key influencer to support your child's educational success.

### The workshop will:

- Introduce parents/carers to modern revision techniques
- Advise on helping you create an effective study environment at home
- Help raise motivation and commitment in your child
- Enable you to encourage, monitor and celebrate your child's commitment to academic progression.

To register your place please contact one of our friendly team
