

Summary of the Governing Board Meeting 20 March 2017

The Governing body reviewed the recent staff changes for both teaching and operational staff. A budget update for the current year was received as well as the 5 year budgetary plan. A proposal for the review of the staff structure was tabled and it was agreed that this structure and associated staff changes could be consulted upon. It was agreed that the Local Government pension scheme evaluation could be re-evaluated by an appropriate organisation . It was agreed to review the current skills set of governors with the intention of drafting a training plan for governors. It was agreed that a working party will draft the governors section of the SEF.
