

Summary of the Governing Board meeting 20 February 2017

The governing body received the student report including the data on attendance, behaviour, students educated off site, chaplaincy news, safeguarding, year group and parent support advisor update and information, advice and guidance provided to students. The positioning of the College in national tables for progress and achievement was reviewed.

The current performance and likely outcome for the current year 11 was discussed. The future of the 6th form was discussed.

Policies for admissions, e safety, recruitment of ex-offenders and uniform were all reviewed and agreed.
