

# ST. JOSEPH'S CATHOLIC COLLEGE

## Accessibility Plan 2016-2017

### Introduction

The Disability Discrimination Act 1995 was extended to include education by the SEN and Disability Act 2001 (SENDA). The board of Directors of St Joseph's Catholic College recognises the following duties that this places upon them;

- Not to treat disabled pupils less favourably for a reason related to their disability
- To make reasonable adjustments for disabled pupils, so that they are not at a substantial disadvantage
- To plan to make reasonable adjustments to the school buildings, so that there is an increased access to education for disabled pupils and to make the school building more accessible for disabled persons.

### **The planning duties of the DDA makes three requirements of the Governing body**

- To increase the extent to which disabled pupils can participate in the school curriculum.
- To improve the environment of the school to increase the extent to which disabled pupils can take advantage of education and associated services
- Improving the delivery to disabled pupils of information which is provided in writing for pupils who are not disabled.

Schools are required to resource, implement and review their accessibility plan as necessary. This plan will be monitored and evaluated by the sites Facilities Manager. The plan attached sets out the Facilities Managers proposals for increasing access to education for disabled pupils and for increasing the college's provision for DDA compliancy.

### **Disability and St Joseph's Catholic College**

A person has a disability if he or she has a physical or mental impairment that has a substantial long-term adverse effect on his or her ability to carry out day to day activities. – the DDA definition of disability

St Joseph's Catholic College policy on equal opportunities and disability is to ensure that there is no discrimination against any sub-group within its community, be it because of sex, religion, race, colour or disability. With this in mind the school has put in place policies and procedures so that disabled people are not treated less favourably in the service, education or support they receive than people without a disability. Meeting these requirements is consistent with the school's Learning Difficulties and Disabilities Policy as well as Equal Opportunities Policy.

## Access to this plan

This plan will be made available upon request to any current parent or prospective parent who requests it. We will also hand this plan to any parent of a disabled child who makes an enquiry about a place for their child at the school. This plan will also be made available to any member of staff or applicant for a post at the school who requests it.

This plan will be shared with Senior Management and will inform relevant aspects of the school's development plan.

This plan will be made available to Ofsted and ISI inspectors upon request.

## Supporting Policies:

Equality and Diversity Policy

SEN Policy

## Previous Adaptations made to the school

- Installation of reception DDA access door control into and out of the college in 2011.
- Installation of twin automated doors allowing DDA access into and out of the college in 2012

### 2015

- Accessible parking spaces have been marked out
- All site doors have been adjusted to minimise the force required to open them.
- 2 portable induction loops are now available from reception to aid any hard of hearing staff, students or visitors to site.
- Accessible WC facilities have been fitted with a lever style locking system.
- Accessible toilets alarm cords have been lengthened to ensure they reach the floor and now hang loose to enable easy use.
- Induction loop installed in the hall
- Evacuation chairs are now on site and positioned in the main refuge areas. Staff have been fully trained in the use of the chairs
- As part of the PPM schedule regular checks are made to ensure escape routes are clear.

<b>Objective</b>	<b>Strategy</b>	<b>Outcome</b>	<b>Timescale and Owner</b>	<b>Goal</b>
<b>Improving Access to site Internally and Externally</b>
