Pupil Privacy Notice - Key Information

This notice contains the key information about **how** and **why** we collect your personal information and **what** we do with that information.

Personal information is information that identifies you and relates to you. For example, information about how well you are doing at the College and any information that we need to take care of you. Photographs and videos of you also count as your personal information.

We encourage you to read the full version of our pupil privacy notice which is published on the College's website and can be found at

<http://www.stjosephs.swindon.sch.uk/> You can also obtain a copy of the full privacy notice by asking your parents or carers to contact the College or by speaking to your form tutor.

The full version includes additional points, such as:

- the rights you have in your information including what decisions you can make about your information;
- for how long the College retains your personal information; and
- our legal bases for using your personal information.

Our primary reason for using your personal information is to provide you with an education.

We set out below examples of the different ways in which we use your personal information and where that personal information comes from.

- Admissions forms give us lots of personal information. We get information from you, your parents or carers, your teachers and other pupils. Your old school also gives us information about you so that we can teach and care for you.
- Sometimes we get information from your doctors and other professionals where we need this to look after you.
- We may need to report some of your information to the government (e.g. the Department for Education). We will need to tell the local authority that you attend the College, if you leave the College or let them know if we have any concerns about your welfare.
- We will share your academic and (where fair) your behaviour records with your parents or education guardian so they can support your schooling.
- We may use photographs or videos of you for the College's website and social media sites or prospectus to show prospective pupils what we do here and to advertise the College. We may continue to use these photographs and videos after you have left the College. Sometimes we use photographs and videos for teaching purposes, for example, to record a drama lesson.

- We publish our public exam results, sports fixtures and other news on the website and put articles and photographs in the local news to tell people about what we have been doing.
- We use CCTV to make sure the College site is safe. CCTV is not used in private areas such as changing rooms.
- We will send you information to keep you up to date with what is happening at the College. For example, by sending you information about events and activities taking place (including fundraising events) and the College newsletter.
-

If you have any questions about how we use your personal information, please speak to your form tutor. Alternatively, you can speak to your parents or carers who will talk to us on your behalf.

Introduction

This notice is to help you understand **how** and **why** we collect your personal information and **what** we do with that information. It also explains the decisions that you can make about your own information.

If you have any questions about this notice please talk to your form tutor.

What is "personal information"?

Personal information is information that the College holds about you and which identifies you.

This includes information such as your name, date of birth and address as well as things like exam results, medical details, unique pupil number and behaviour records. We will also hold information such as your religion or ethnic group for the purpose of reporting statistics to government bodies. CCTV, photographs and video recordings of you are also personal information.

Our legal bases for using your information

This section contains information about the legal bases that we are relying on when handling your information.

The two tables below contain a general description of the different legal bases but we have also used a colour code system so that you can see which bases we are relying on for each of the purposes described at paragraphs 1 to **Error!**

Reference source not found. below.

Legal obligation ("LO")

The College might need to use your information in order to comply with a legal obligation, for example to report a concern about your wellbeing to Children's Services. We will also have to disclose your information to third parties such as the courts, the local authority or the police where legally obliged to do so.

Vital interests ("VI")

In limited circumstances we may use your information to protect your vital interests or the vital interests of someone else (e.g. if you or they are seriously hurt).

Performance of a task carried out in the public interest ("PI")

This applies where what we are doing is for the benefit of the public generally. The following are examples of where this applies:

- providing you and others with an education;
- safeguarding and promoting your welfare and the welfare of your classmates;
- facilitating the efficient operation of the College; and
- ensuring that we comply with all of our legal obligations.

Legitimate interests ("LI")

This means that the College is using your information when this is necessary for the College's legitimate interests except when your interests and fundamental rights override our legitimate interests. We won't rely on this basis when your interests and fundamental rights override our legitimate interests.

We have a legitimate interest in using your information to:

- i. promote the College including fundraising and publicity;
- ii. preserve historical school records.

The College must also comply with an additional condition where it processes special categories of personal information. These special categories include: personal information revealing racial or ethnic origin, political opinions, religious or philosophical beliefs, genetic information, biometric information, health information, and information about sex life or orientation.

Substantial public interest ("SP")

The College is allowed to use special categories of personal information where doing so is necessary in the substantial public interest. This is similar to "public interest" in the table above. For example, the College will use information about your health to look after you. We may also use other types of special category personal data about you to provide you with an education, to look after you and your classmates or when the College is inspected

Social protection and social security law ("ESP")

There will be times when the College needs to use your information because we are an employer (e.g. we employ your teachers). Also the College will use your information to comply with social protection law (e.g. to look after you) and social security laws (e.g. to provide you with free school lunches if you are entitled to these). Social protection law is concerned with preventing, managing, and overcoming situations that adversely affect people's wellbeing.

Vital interests

In limited circumstances we may use your information to protect your vital interests or the vital interests of someone else (e.g. if you or they are seriously hurt).

Legal claims ("LC")

We are allowed to use your information if this is necessary in relation to legal claims. For example, this allows us to share information with our legal advisors and insurers. This applies whenever sharing special category data is necessary in relation to legal claims.

Medical purposes ("MP")

This includes medical treatment and the management of healthcare services.

Please see our Information and Records Retention Policy for more detailed information. This can be found on our website here www.stjosephscollege.net
